

WOW Prison Ministry

There seems to be a subsiding of the COVID-19 pandemic that seemed to stop the world. WOW Prison Ministry is back in action, although at lower numbers. COVID has taken its toll on our ministry, as we struggle a bit to field our teams and our participants have also been limited to around 35 people.

Yet, we have had two powerful weekends with the "Brothers in Blue," at Okaloosa and Apalachee-West.

We are going to pursue our calling and hopefully recruit men with the same calling to join us. I hope you will consider joining in on the experience if you get the chance.

We all need Jesus, and a Spirit-filled weekend is a great way to experience His love.

So, sign up for chapel programs and get out of those dorms. Do not let protective COVID practices rob you of your chance to grow closer to our Lord and Savior. – Steve Walsh

"If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him." James 1:5.

As we continue to see God move in amazing ways during this pandemic, we ask that you pray for us to have wisdom moving forward. We do not want to miss God and all that He has for us. We have seen chains being broken in men's lives, guys coming and giving their hearts and lives to Jesus, and people giving to the ministry sacrificially and yet . . .

I believe God wants to do more! He has started to plant dreams and visions as to where this ministry can go and so I ask that you pray with us as we seek His will. Pray for others to be faithful to His calling as He adds volunteers to our group. Pray for doors to open as He adds prisons for us to go and minister in. Pray for the boldness and courage to step out on faith and obey whatever He has for us to do. Pray for wisdom and discernment to know it is the voice of God we are hearing and following.

You see our schedule here in the newsletter . . . I am teaching Bible study classes twice a week and we are now in SIX different prisons every month for worship services. God is

good, all the time! Speaking of our good and awesome God . . . I spoke in our last newsletter about our upcoming MAD Dash at the end of March.

Well, here is the PRAISE REPORT from this event . . . First, thank you for your prayers for our annual fundraiser, the M.A.D. (Make A Difference) Dash. This was our third year doing this event, but this year looked a little different. We did not have our pancake breakfast or silent auction this year due to COVID and our race was virtual. What did that mean? That meant we did not gather all in one place for this event. You had the option to walk/jog/run this race wherever you were located. This was a good thing actually, and we will probably keep this as an option even when we go back to having it locally at our church next year. This way we are not limited to just the Tallahassee area, but we can now let people from any state or country register online and participate right where they are whenever we have it next year. We have used the funds raised at this event to help sustain us all year with our purchases of Bibles, gas for travel, the Bible studies and curriculum for the classes we teach

inside the prison, and other ministry expenses.

I know God had something special in store for this year and He did not disappoint! Remember, we had NO pancake breakfast and NO silent auction this year, just a virtual race in which 54 people signed up to participate from Ohio to Tennessee to Oregon to Germany and even Abu Dhabi! We had 100 in our first year, 76 last year, and now 54. BUT GOD! Although we had this small amount, God showed up in a MIGHTY WAY! Through our BIG GIVE Week the first week of March and a strong push the last week leading up to the MAD Dash, God just touched people's hearts to give and give and give! We raised over \$10,000 and after expenses, we had a take-home amount of \$8,850!!! Now, that is something to praise God about! He is so good, and He is still in the miracle-working business!! Thank you again for your prayers for this event and for our ministry. You are a blessing!

So, I pray you ask yourself what you can be doing to make a difference in the lives of others. You can continue to pray for Harvest of Life as we seek more opportunities to bless others either financially or through donating needed items to the chapels of the Institutions we volunteer in. You can give financially to support the needs we have that arise. You can become a volunteer and join our Harvest of Life family! Each one of us can be a blessing to someone. You are a huge blessing to us, and we want you to know that we are praying for you. You are a vital part of this ministry! May God continue to meet all your needs and bless you abundantly!

We are living in perilous times!
Corona Virus?
II Timothy 15: 1 –

"You should know this, Timothy, that in the last days there will be very perilous times!" Many have asked us how we are doing during this Coronavirus Pandemic. We are fine and trust you are too. The prisons are closed to volunteers which gives me plenty of time to fill orders for Bibles. Marilyn makes a daily trip to the Post Office masked, and gloved, to pick up the mail and ship the Spanish Bibles that inmates have requested. We ship only the best Spanish Study Bibles to Federal Detention Facilities and Penitentiaries. We thank God for your prayers; making it possible to bless them with God's Word. Last year we mailed over \$31,000.00 worth of really nice Bibles, a Bible study and discipleship material. Since September 2017, we have mailed over 4,600 Spanish Bibles in detainees from El Salvador, Honduras, Guatemala and Mexico. Just what are the signs of the times from a Biblical perspective? Just one word, perilous! The Bible often refers to it as the "Day of Lord". A time of great distress and tribulation the likes of which the world has never seen or experienced. This is also a time of judgment as God pours out His wrath on unrepentant man. II Timothy 5: 5 - They will act religious, but they will reject the power that could make them godly. Stay away from people like that! Jesus' second coming will happen! The Bible states this emphatically throughout the Old and

New Testament. You cannot just bury your head in sand and pretend that is will go away. Too many prophecies have already come to pass. You must be prepared by placing your trust in Him. We need to be living each day as if it is the day of His return. Each one of us is responsible for their own relationship with God. You cannot get to heaven on some Church dogma, through your parent's faith, the faith of a friend, a grandparent's faith, or anyone else's. You must trust in His promise to save you and give you eternal life in Heaven. This is important that you understand that all of us will live forever, but we must choose now where we will spend eternity...heaven of hell? The Bible teaches that the only ones that will be rescued will those true believers who have accepted Jesus as Savior and Lord and repented of their sin. The vast majority will be living on earth trying to cope and living as if it was "business as usual" hoping that all these calamities will pass, and it will get back to "normal". Whatever that means! I am, however, reminded what Jesus said in Matthew 24: 38, 39 - No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father. As it was in the days of Noah, so will it be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying, and giving in marriage, up to the day Noah entered the ark. And they were oblivious, until the flood came and swept them all away. So, will it be at the coming of the Son of Man. Where will you be? Will you choose Jesus? He's Our Only Hope
