

WOW Prison Ministry

Things have been busy at Stabilizing Life Christian Ministries. We have sponsored another WOW journey since we last wrote to you. This time, we served at Apalachee Correctional Institution - West Unit. It was a little bit different this time around.

The staff at the institution permitted us to go to the dorms and personally invite the guys from the dorms. We were able to invite guys who had never been to church or opened a Bible. These weren't guys that would have normally gone to the chapel, but they came out to hang out with us. They listened to what we had to say, and over the course of the weekend 39 men answered the altar calls and professed their faith in our Lord Jesus.

We enjoyed getting to meet our new brothers in our Christian family and are praying for their continued growth in the Spirit. I hope you will be in prayer for them as well.

Next stop: Santa Rosa Correctional Institution!

Harvest Of Life

June 2022

Director's Corner

www.harvestoflife.org

Well, it's officially summertime and we have kicked it off with a fury!

What a weekend we had the first weekend in June! Sixteen members of the Harvest of Life team went down to Titusville, Florida, to partner with one of our faithful supporters, The Grove Church, pastored by our dear friends Brad & Barry Russell. Thank you to them for hosting us as we had four of our Fun in the Son summer services in four different central Florida institutions: Marion CI, Central Florida Reception Center Main & East units were the men's facilities we went into, and we also were able to get into one women's facility – the Florida Women's Reception Center. What a spiritual battle that went on these two days but what a great and mighty God we serve! Thank you so

much for all your prayers because we NEEDED THEM! The enemy battled us every step of the way but through your prayers and this awesome team staying focus on our Leader - King Jesus - we were victorious, praise the Lord!

I do not have time or space to tell you all that went on in this spiritual warfare but just know the battle belongs to the Lord and as long as we stay surrendered to the Holy Spirit's leading it will bring VICTORY!!!!!!!

We had around 300 in our three services for the men and 23 responded and came forward during our altar calls. In the service at the women's facility, we had around 45 in attendance with 14 ladies coming forward for prayer and 3 that we know of accepting Jesus as their Lord and Savior. Praise be to God for His marvelous works!

At the same time this was going on, we still served in the facilities up in north Florida where we had three members of the Harvest of Life team going in and having services with the men, praise the Lord!

Please keep us in prayer this summer as we are going to be BUSY. Just check out our schedule located in this newsletter and you will see all that we have going on this summer. Our summer services at the end of June in one of our facilities and all of July are called **Fun in the Son: Awesome Summer Adventure**. This is part of the growing and expanding of the ministry so please pray for the laborers to come alongside and join in the work that God is doing! Thank you for your prayers, your sacrificial giving, and all that you do to support this ministry. We are grateful for you!

In addition to going into four prisons in central Florida, we are also bringing the Fun in the Son to nine different institutions here in North Florida!

- Pray for safety as we travel
- Pray for the finances to be supplied for all we need to purchase for our services
- Pray for the Holy Spirit to move in and among us
- Pray that all will see a great outpouring of His power and see lives being changed!

Missionary Report

We are so thankful to God for His blessing the Harvest of Life Spanish Bible Project. In 2021 we shipped over 2,000 Bibles worth over \$40,000.00. It costs approximately \$20.00 per Bible to ship to detainees in detention centers and Hispanics in Federal Prisons across the U.S. As of May, this year we are on track to do the same.

It is heartwarming to receive letters from inmates thanking us for the fine imitation leather Spanish study Bible, and the Spanish language Bible study book that accompanies it. The men have formed Bible study groups in their dorms. We have even had requests for praise and worship song books from the leaders of these groups and have honored their request. These men are from various Spanish speaking countries, and they report that as they study and worship together in song, they have developed a harmonious fellowship with each other.

We received a heartwarming letter from the daughter of one of the detainees asking us to send a Bible to her father who is incarcerated in Texas. She and her family are Christians, and she was

thrilled to know that we could provide her father with a Bible in his own language.

We are grateful also for our local Postal Service. They have been so helpful in providing us with information making the shipping process go smoothly. Our local mail carrier told us about how to obtain a postage machine which allows us to weigh and then print out labels with the correct postage on each package we send. This saves time and not having to stand in line at the Post Office.

As of May 31st, we have already shipped over 1,200 Bibles for 2022!! PRAISE GOD!!

None of this would be possible without your precious prayers and generous financial donations to this extremely blessed ministry. You have, with God's help, made this all happen. You shall, one day, receive a huge crown in heaven. I would be remiss if I didn't mention how well Dan has healed since his second knee replacement. He is elated that the surgery went well, and that he was up and working around in the yard completely Pain Free! Praise God.
