

have a BLESSED REVIVAL taking place in the 48 Federal detention centers and prisons throughout the USA. What a wonderful thing God is doing, and you are part of this tremendous move God's spirit. You are making a difference, one Bible at a time. Your partnership with this ministry allows us to ship the Word of God to these Hispanics who are looking for something

For instance, we have shipped over 700 Bibles to a detention center in Florence, Arizona. They are so thankful for the ministry of [Harvest of Life](#). What with the great increase in the letters we've been receiving; we are praying that God supply the finances to accomplish His will.

A recent letter demonstrates how important this ministry is to the incarcerated Hispanic. *My name is Jose Hernandez, and I am from Honduras. I am writing to you because I just accepted Jesus as my Savior here in this Detention Center in Florence, Arizona. We gather every day in our cell block and study from the Bible you have sent to the brothers. Could you please send me one? You are doing a great work by sending us such nice Bibles. I want to have meaning in my life and change my ways of thinking and my way acting. Please pray for me and my family back in Honduras. We pray for your ministry every day asking God to meet your physical, material and spiritual needs. Please keep sending Bibles to us prisoners because you are making a great difference!!*

Lovingly yours in Christ,

Dan and Marilyn

CENTRAL FLORIDA TRIP

Lancaster CI, Tuesday morning, October 1st
Cross City CI, Tuesday afternoon, October 1st
Sumter CI Main Unit, Wednesday afternoon, October 12th
Sumter CI Work Camp, Wednesday evening, October 12th
Marion CI, Yard Event – All Day, October 13th

Harvest Of Life

September
2022

Director's Corner

www.harvestoflife.org

We praise God for the blessings He has given us these past few months during our summer services! We have had:

- 1,310 in our 19 services with
- over 150 of them respond to the altar calls
- 30 gave their hearts and lives to Jesus with
- Many more recommitting their lives to Jesus
- We baptized 42 men before one of our services

Praise be to God for His marvelous works! So far in 2022:

- 56 men have come forward in our services and gave their lives to Jesus
- We have baptized 61 men

There has been true REVIVAL in at least 4 Federal Facilities amongst the Hispanic prison population. Harvest of Life has shipped 1,979 Spanish Study Bibles so far this year. We shipped 2,053 Bibles all of

last year . . . we are only 75 Bibles away from surpassing last year's total! At this current pace, we are on track to send out almost 3,400 Bibles to Hispanic men waiting to be sent from a U.S. Federal prison to their homeland. Talk about sending out missionaries!

We thank God for His faithfulness to His ministry, Harvest of Life, and for all the faithful prayer partners and financial supporters He sends our way because we need for the Lord to keep sustaining this because we certainly cannot keep up this pace without divine intervention! We look forward with great anticipation at all that He is going to do with the remainder of 2022!

Please continue to pray for us as we are obedient to the Lord's leading for this ministry; we just want to be faithful stewards. Please check out what God is doing with the other ministries we are partnered with to see how God is doing some amazing things!

The Walk On Water prison ministry just had an awesome 4-day journey with guys who are on a more secure lockdown than the normal population and the warden allowed them out of their cells for four days to come to

the chapel and hear about the good news of the gospel and lives were changed forever!

Inspiration Ministries located in Auburn, Indiana is a ministry working in the recovery and re-entry into society areas and God is just expanding and blessing in a tremendous way! Check out the testimonies about the Founder and President, my friend and Harvest of Life supporter, Andrew Foster; and one of the men that God saved and has come through their program, Todd Martin.

Thank you for your prayers! Please pray for us as we have a busy quarter coming up as you will see on the schedule and pray for us as we prepare for our Christmas services in December. The Lord continues to provide opportunities and we just want to be effective for the Lord.

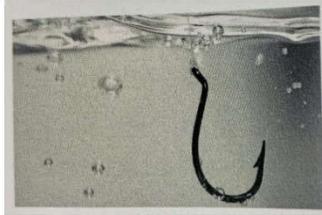

Dan Evans

Director – Harvest of Life
Jeremiah 32:27

YOU CAN HELP!

As you have read throughout this newsletter, God is moving in the hearts and lives of these men! The number of Bibles and materials we are sending out each month is growing exponentially, and we need some help! Please consider helping us with our costs in shipping out our Bibles and materials to these new believers. For just \$25 a month, you will be helping someone grow in their relationship with God. Maybe you can support more than one. Whatever you can do to help with this growing need, it would be most appreciated and know that this will have eternal rewards! You are sowing seeds for the Kingdom!

WOW Prison Ministry

WOW is in full swing this year, and on track to complete 6 journeys again this year. Praise the Lord we have been able to minister to so many people!

Since I last wrote, we have completed another journey. This time we served our brothers-in-blue at Santa Rosa Correctional Institution. We were able to host a journey weekend, where 40 men finished the journey. What was different about them is they were from CM-3.

This is the first time the State of Florida has allowed any ministry 4-day access to Closed Management residents at the chapel, with no shackles and no disruptions. The weekend was a blessing for team members and participants as well. There was a lot of healing going on.

We are grateful to be teamed up with Harvest of Life and share our resources. Our focus is on an initial investment of four days and Harvest of Life is there monthly to keep our brothers lifted up.

Together, we can all make a difference and change the prison environment. Think positive, be positive.

Steve Walsh

Missionary Report

I have heard all about you, LORD. I am filled with awe by your amazing works. In this time of our deep need, help us again as you did in years gone by. And in your anger, remember your mercy.

HABAKKUK 3: 2

We are so thankful to God for His blessing the [Harvest of Life Spanish Bible Project](#). As best as we can ascertain, [Harvest of Life](#) is the largest shipper of quality Spanish Bibles in the United States. How about that!

It is encouraging when we receive letters from men thanking us for the fine imitation leather Spanish Study Bible, and the Spanish language Bible study that accompanies it. The men have formed Bible study groups in their dorms or cell blocks. We have even had requests for praise and worship song books from the leaders of these groups and we have honored their requests. These men are from various Spanish speaking countries, and they report that as they study and worship together in song, they have developed a harmonious fellowship with each other.

We received a heartwarming letter from the daughter of one of the detainees asking us to send a Bible to her father who is incarcerated in Texas. She and her family are Christians, and she was thrilled to know that we could provide her father with a Bible in his own language. We have no idea how she got our address.

Another letter that brought us great joy was from a prison Chaplain that reported the revival that was happening among Hispanics as a result of the Holy Spirit using these Bibles to evangelize the lost and to teach and encourage the believers. Amazing what God is doing! None of this would be possible without your precious prayers and generous financial donations to this extremely blessed ministry. You have made this all happen, and we are grateful that God is using you. You shall, one day, receive a huge crown in heaven.

On the home front Dan has recovered from his second knee replacement and is doing great. Also, on July 1st, we celebrated our 55th wedding anniversary. PTL!!! We went ziplining in Banning Mills, Georgia, where we completed 22 Ziplines to include the Flight of the Falcon which is a quarter of a mile long and reaches speeds of 75 miles per hour. We thank God for our health!

Over two months ago we were totally shocked to wake up and discover that our house had been totally flooded due to a broken waterpipe in the wall behind the kitchen sink. We thank God for our two neighbors, Nick and Joan who came to our rescue before the plumber and ServPro arrived. All our floors and the kitchen cupboards had to be replaced. Again, friends opened their homes to us, provided meals and a place to sleep during the repairs.

Our donations have not been keeping up with the increase of letters from the detainees. We need your financial help in order to meet the expenses of shipping these Bibles. The only good thing that we see from the "invasion of our southern border" is that [Harvest of Life](#) is supplying a Bible and Bible Studies to those who are getting saved. The Holy Spirit is working mightily in the hearts of these men. We
