Christmas in July!

Who says you have to wait until December to celebrate?! Our Christmas in July Team Gathering was filled with great food, lots of laughter, fun, and time spent together. We had an absolute blast celebrating the incredible people who make up our team. We're grateful for every person who shows up, serves, encourages, and helps make a difference throughout the year. A little Christmas cheer + an amazing team = a pretty great day!

What an incredible summer! We have seen God move through our Fun in the Son events and regular worship services across Florida. This year's Fun in the Son theme, "Be Salty. Stay Lit," challenged us to be the salt of the earth and the light of the world. And God has been moving!

So far this summer, we have held 24 Fun in the Son services with 3 more to go, along with approximately 73 regular services and classes. More than 7,000 people attended, 22 gave their lives to Jesus, and 18 brothers and sisters in blue were baptized! We will also have distributed more than 500 Spanish Bibles to federal detention centers, ICE facilities, and state institutions.

You are part of this impact! Through your prayers, support, and involvement, you are helping advance the Kingdom and bring hope behind prison walls. Thank you for being a vital part of Harvest of Life!

Church Involvement

We would love for your Church to get involved with harvest of life whether through prayers, volunteers, or financial support. If your Church has an outreach Pastor and you would like for us to reach out please email Jesse Nelson at:

Will you help us grow the 4% ?

Did you know that 84% of churchgoers believe prison ministry is important, but only 4% are actively engaged in prison ministry. You can help us change that number!

Become a Volunteer!

Are you ready to make an eternal impact? Step into a ministry where lives are being changed, hope is being restored, and God's love is breaking chains behind prison walls!

Volunteer Spotlight!

Since 2022, Daiana Miller has faithfully served with Harvest of Life through prison ministry, the South Team, and our board, bringing a heart for worship and a willing "yes" wherever God calls. Whether she's singing with men behind prison walls or quietly serving wherever needed, Daiana reminds us that you don't need special qualifications to make an eternal impact, just a heart that is willing to be used by God.
