## 2026 M.A.D. DASH 5/10K

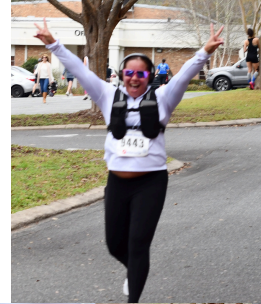

A Race with Eternal Impact

This year's Make A Difference Dash 5K/10K was nothing short of incredible. From the early morning energy at the starting line to the final runners crossing through, the day was filled with excitement, community, and purpose.

Because of your support—whether you ran, volunteered, sponsored, donated, or simply showed up to cheer—this event was a powerful success. Every step taken and every mile completed represented something far greater than a race... it represented lives being reached behind prison walls.

Thanks to you, Harvest of Life Prison Ministries can continue bringing hope, truth, and transformation to those who need it most. From worship services and Bible studies to personal correspondence and resources, your involvement directly fuels changed lives and new beginnings.

We are so grateful for each and every person who made this day possible. Together, we are making an eternal difference.

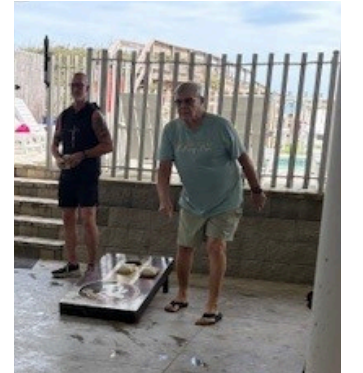

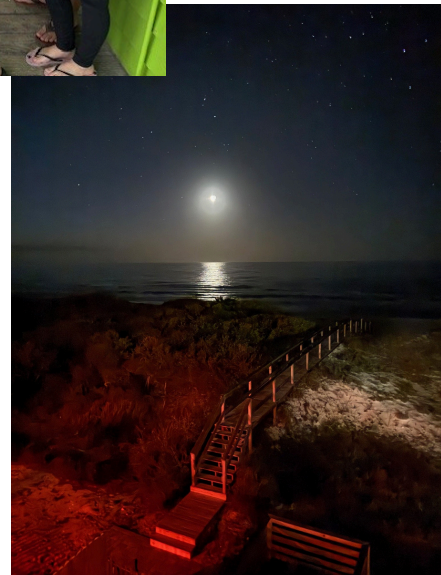

## Team Beach Retreat

What an incredible time we had with our team at our March Beach Retreat! Families came together to enjoy great food, fun games, and much-needed rest. From poolside relaxation to friendly cornhole competitions and laughter-filled game nights, there was something for everyone.

This retreat was more than just a getaway - it was a time to reconnect, recharge, and build stronger bonds as a community. We are thankful for each family who joined us and helped make it such a memorable experience!

## FUN IN THE SUN

We are gearing up once again for the funnest outreach of the year—Fun in the Son!

What may look like a summer event on the outside is actually a life-changing mission on the inside. Teams will travel across multiple correctional facilities, bringing dynamic “outside the box” services filled with worship, encouragement, connection, and the life-changing message of the Gospel.

Through creative outreach, games, fellowship, and powerful testimonies, walls come down, hearts open, and lives are transformed. Each service is an opportunity to meet men and women right where they are and remind them that they are not forgotten—and that hope is still alive.

This outreach takes many hands and hearts to make it possible. From volunteers and prayer partners to those who give financially, every role matters in helping us reach further and impact more lives.

As we prepare for July, we invite you to partner with us—through prayer, support, or joining the team. Together, we can bring light into dark places and continue to see lives changed for eternity.

**“Fun in the Son Titusville” team trip will be June 25-28- so save the date.**
