

WOW Prison Ministry

WOW Expands into Northwest Florida Reception Center.

We conducted a WOW Prison Ministry event at NWFRFC for the Short Sentence Correctional Institution from January 27-30, 2022. What an amazing event! 67 men turned out for our first SSCI event and it was fantastic.

The team and the men bonded quickly, and 50 men answered altar call on the first day, after the very first talk. The Holy Spirit was moving among the brothers-in-blue and the team. It was amazing to witness such spiritual rebirthing.

By the end of the 4-day journey, 63 men were set free spiritually, and the group was totally different. It reminds us that true freedom should not be defined by where our body is located, but by whom our soul is found in.

Blessings to each of you, and we in the WOW family pray for your spiritual freedom.

Harvest Of Life

March 2022

Director's Corner

www.harvestoflife.org

We have hit the ground running in 2022 . . . literally! The Lord has been so faithful and gracious to Harvest of Life and we are thanking Him for all His blessings!

Let's start with the three new prisons we are now going into in 2022! Northwest Florida Reception Center both the Main Unit and the Annex, along with Gadsden Re-Entry Center have opened their doors to allow Harvest of Life to come in and minister to the men in these facilities, praise God! So, along with Calhoun, Jackson, Jefferson, Holmes, and ACI West, that brings our facilities up to 8 now! God is moving!

Let's also praise God for the decisions we saw being made in the month of December from our Christmas services and now in the month of February as we shared God's love. We had 7 Christmas services in December, and we had

approximately 475 men attend our services, but even more importantly, we had **12 men** come forward during these services and give their hearts and lives to Jesus and receive the greatest gift of all!!

Then during our February services, we were privileged to be involved in baptizing 19 men before the start of one of our worship services and then 10 men came forward at the end of that service and wanted to give their life to Jesus! In all, 13 men came forward at the end of our services wanting to give their lives to Jesus.

PRAISE GOD!!

We cannot say "Thank You" enough for all the prayers and support for the 4th Annual M.A.D. Dash that was held on February 26th. We could not have asked for a more perfect day! God gave us gorgeous weather, a record 142 runners, and enough food and fellowship for all who came out!

We raised almost \$10,000 and it was due to your support and generosity in so many ways from being a sponsor, to donating items for the silent auction, to participating in the races, to volunteering your time, money, and resources to make this our best event yet! Looking forward to seeing what God is going to do next year!

I ask that you be in prayer for us as God continues to grow and stretch us as a ministry.

Pray for God to continue to bring volunteers alongside us to fulfill His call.

Pray also for the finances to support all that we have going on. One of those ministries is sending Bibles and Bible studies to those in ICE facilities waiting to be sent back to their home country.

Pray for this Spanish ministry within Harvest of Life. We have a huge undertaking with sending these Bibles and Bible studies to those at the ICE Facilities throughout the country. These men are receiving the gospel of Jesus and it is changing their lives and then they want to go out and share it with others! We need your prayers and financial support to keep this very important aspect of our ministry going.

I just want to say, "Thank You, for being you." You enable us to do what we are called to do by God! You are a blessing! We can teach weekly Bible study classes, conduct 6-8 worship services a month, and send out hundreds of Bibles every month to those who request them and need them. You are a huge part of

this ministry, and we are so grateful for you.

Last year we shipped over 2,000 Bibles, along with Bible studies and tracts.

We thank God for the privilege of shipping these Spanish Study Bibles at a cost of over \$40,000.

I, Dan Nase, got a new left knee and I feel great. Marilyn is also in good shape.

We are blessed to have this ministry at the age of 76 Marilyn and Dan will be 78 in April.

We thank God for our donors who pray for us and financially under girth this ministry.
