

Harvest of Life

March 2023

What a Year 2023 is Starting Out to be . . .

2023 is moving right along . . .

God is good, all the time! He wants to do so much more than we can even ask or think! We thought 2022 was a good year, but God says, "Wait! There's more!" God has opened up opportunities for Harvest of Life to expand throughout the state of Florida and have a much more far-reaching effect for the furtherance of the kingdom of God than we could even imagine!

The Harvest of Life South Team had their first worship service at Polk CI Work Camp on February 11th. We had a team of six of us and we had 14 men attend the service and had a wonderful time together! We look forward to building our relationship with the men there and seeing God change hearts, lives, and direction. The Lord is already at work adding more team members and it is exciting to see Him begin to move in mighty ways! Praise be to God!

The Harvest of Life West Team has formed and will have their first worship service on the morning of March 7th at the Santa Rosa CI Annex. We are excited about this opportunity to go into this facility the first Tuesday morning every month. There will be two other opportunities for the West team beginning in May. More on that later . . . In the meantime, pray for the Lord to bring the people He wants to this team to fulfill His purpose in the west Florida region.

Some of you may be wondering or sometimes have thought, "I wonder what goes on inside the prison when they go?" **SCAN THE QR CODE ABOVE TO SEE A SERVICE INSIDE THE WALLS!** if you are unable to scan, you can go to www.harvestoflife.org and see it on our home page.

God is Amazing!

In our 12 services for February, we saw 94 men respond and come forward during our alter calls with 13 of them giving their hearts and lives to Jesus. We also baptized 12 men and rejoicing at the moving of the Holy Spirit in the hearts and lives of all of us!

Our Territory is Growing!

Not only has God increased our monthly services to 10-12 a month here in the Panhandle, and expanded our team into south and west teams, but now God has given us an opportunity to minister in the Faith & Character dorm at the Gadsden Women's facility! We are the sole provider of volunteers for this dorm and we have classes every Tuesday, Wednesday, & Thursday! We are teaching "How to Win at Spiritual Warfare", "Twelve Extraordinary Women", and "Experiencing God". There is an **opening and need for someone to come in on Friday to teach**, so if you are interested please email us at nase@harvestoflife.org and let us know!
