Dan and Marilyn Nase

MARCH 2019

Dear Ministry Partners,

Dan sent this letter to the 14 men that he communicates with quarterly. This is a call to a higher understanding that is intended to motivate you to greater awareness of the responsibility you have as Christian.

We, Dan and Marilyn, missionary chaplains of Jesus Christ by the will of God; according to the promise of life which is in Christ Jesus; Grace, mercy, and peace from God the Father and Christ Jesus our Lord. We thank God, whom we serve with a pure conscience, as our forefathers did, as without ceasing we remember you in our prayers night and day, greatly desiring to see you, being mindful of your tears, that we may be filled with joy, when we call to remembrance the genuine faith that is in you, which dwelt first in your grandmother Lois and your mother Eunice, and we are persuaded is in you also. Therefore I remind you to stir up the gift of God which is in you through the laying on of my hands. For God has not given us a spirit of fear, but of power and of love and of a sound mind. II TIMOTHY 1: 1-7

It is my desire and prayer that this letter be a wonderful blessing to you and that through these words you experience the Holy Spirit who confirms the Father's leading in your life. You are remarkable brothers in the Lord that God has singled out for a special calling and that is to minister to a people that sometimes can be quite difficult. In these last Days, we need "harvesters" to go into the fields and compel them to come to the Lord's grand banquet that He has prepared for those He has chosen. You are especially gifted for this calling! And by your preaching and life style many are inspired "to go". Never allow Satan and his demons to sidetrack you or discourage you for the "days are evil" and we have "to work while it is still day". You are mighty men of God and you will demonstrate to others the path to salvation through the blood of our Lord Jesus Christ.

As a minister of the Gospel and a teacher of the deeper things of God, you have a special calling that our enemy the devil wants to discourage and destroy. You are charged to make disciples for our Lord and Savior, Jesus Christ and lead them to be light in there

sphere of influence. You have a winning combination...a great educational background, a compassion for those who are lost and the love of Christ for your fellow man. God has especially gifted you for the calling of reaching those who are incarcerated in the State of Florida. You are sent with the message of hope! I am confident that He will meet your material, physical and spiritual needs. Just trust and rest in the fact that He will provide you with wisdom and courage to stand for truth. Do not be intimidated by those who could cause discord and division. The body of true believers will stand with you in times of turmoil and challenges as we are led to be radically transformed by the Holy Spirit. You are equipped to rise to the next level. You no longer are a student...you now want to be like your Rabbi, Jesus Christ, and do the things He taught us to do. So rise to the occasion and allow the Holy Spirit to work through you. Banish all fear and doubt because you are chosen for a time such as this!

Be blessed and listen to the Spirit as He ministers through you right where you are planted. I know He has a word for you and He has equipped you to compel them to come to God's great "Banquet Table in Paradise". Please rest in the hope you have in Christ as you serve the most high God. Marilyn and I will be continuing in prayer for you and your ministry.

May God richly bless you and give you wisdom and renew your strength!
