Thank you

Welcome -
Eddie & Stella

Now, that was FUN!!!

We have completed our 2023 summer services called, "Fun in the Son Goes Hawaiian" and God showed up in a powerful way! From June 9th through August 7th, we traveled over 1,750 miles to visit 17 different institutions in the state of Florida to share the love of Jesus with our brothers in blue! The Lord brought a total of 1,560 men out to our services and 146 of them came forward during our altar calls for some type of commitment for salvation, rededication, or brothers just surrendering their lives to live for Him in a more committed way! What a great summer journey!

We could not have accomplished this without your love, prayers, and financial support!! You are a blessing to this ministry and we thank God for each and every one of you!

PRAISE REPORT!! – Because of having one of our services for Fun in the Son at Sumter CI, the chaplain now wants Harvest of Life to come there on a more regular schedule! So, beginning in July, Harvest of Life will have our regular worship service at Sumter CI on the 5th Saturday of any month that has five Saturdays! WOW! God is good, all the time and He continues to bless and expand His ministry! Please be in prayer for us.

Our Spanish Ministry

What started out as can only be explained as God being the one to send us that very first letter from a Hispanic inmate requesting a Spanish Bible, has grown into an opportunity to truly make a difference in the hearts and lives of individuals that we would have never thought possible!

We receive hundreds of letters a month from new believers coming to know Christ in these facilities and asking for a Bible. So, we not just send them a Bible, we deliver to them a Spanish Study Bible along with a Bible study that they can go through and learn more about the decision they made and to help them grow in their relationship with Jesus.

The total cost for us to purchase, package, and ship these gifts is around \$4,000-\$5,000 a month. We need your support! Our other need was manpower. We simply could not keep up with the requests because we only had two people handling them.

But PRAISE GOD He has brought us Eddie and Stella Gomez! These two fellow soldiers for Christ were "all in" once they heard the need and saw our passion and heart for this calling from God. Eddie & Estella will now come alongside Dan & Marilyn to assist in providing this blessing for our Hispanic brothers-in-Christ!

PRAISE GOD for supplying our need for people to help. We now ask for your continued prayers for the financial need to be met in the purchasing and shipping of these Spanish Bibles.

Spanish Bible Project

- June - 200 Bibles shipped
- July - 200 Bibles shipped

The Lord has opened another door of opportunity for us to travel down into the Institutions of central Florida and share the good news of Jesus Christ and the love of God with those we come in contact along the way! We will be in the prisons on October 10, 11, and 12 for worship services.

We will have a full lineup as we will have three services on the 10th and two services each on the 11th & 12th; giving us a total of SEVEN services in THREE days! Here are the Institutions we will be visiting: Madison, Lancaster, RMC Main Unit and West Unit, Marion, Florida Women's Reception Center, and Union. Please pray for favor and doors of opportunity to be open at these facilities.

We are going to be blessed by the presence of Andy and Kirsten Foster and Inspiration Ministries out of Indiana again on this trip! I am VERY excited about this opportunity to be in ministry with my brother and sister in Christ! If you do not know Andy and his story, check out their website here: <https://www.inspiration-ministries.org/> God has done and is doing GREAT AND MIGHTY things in his life and in the life of Inspiration Ministries, and I couldn't be more proud to be connected with this man of God!

We are still planning on having our regular schedule here in north Florida in October, as well (see calendar below), so please be in prayer for us! Pray for the Lord to provide the strength, wisdom, and courage for our volunteers to have as we minister in all our services on the days and times scheduled 😊 Pray for God to provide.

This is where we will be the next 3 months . . .
